

Financial Information for the Year 2016-2017

Income

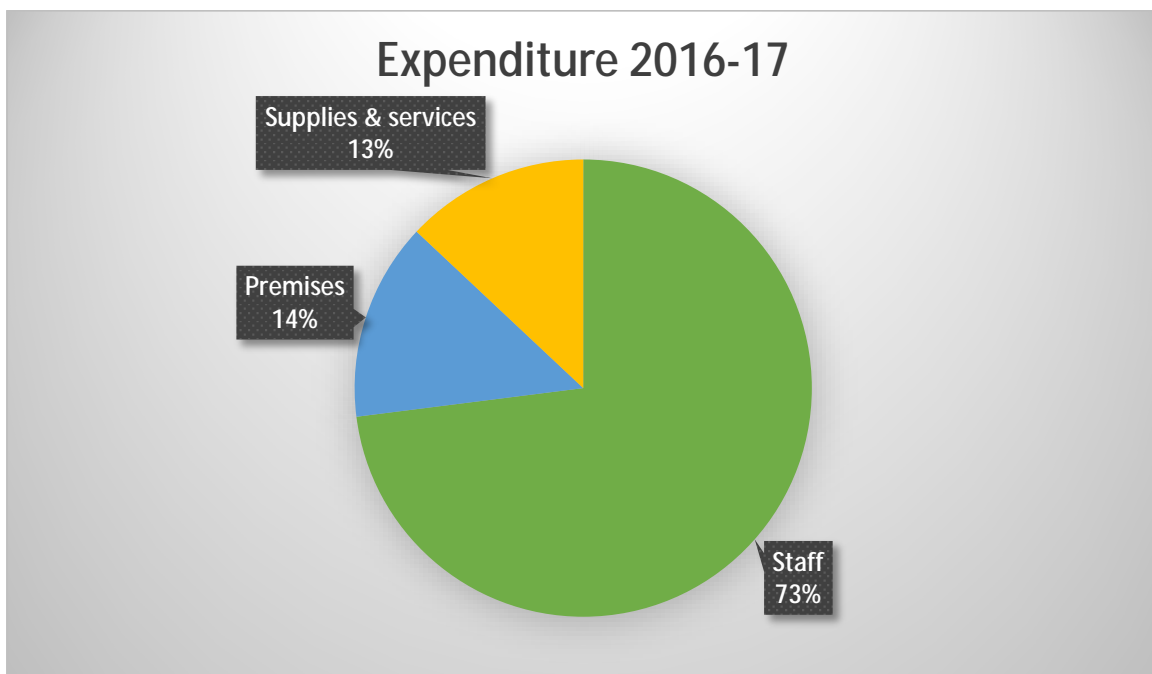

Our total income for the year was **£549,400**

The largest source of income was our grant of £496,300 (public money from the government distributed to the school via the local authority and based largely on the number of pupils on our roll). The remaining £53,100 came from supply teacher insurance payments, donations and voluntary contributions, income from facilities (lettings), catering income (school meals), and contributions to school visits.

Expenditure

Our total expenditure for the year was **£520,000**

Our spending was allocated as follows:
