Dear Parents/Carers,

Class 2 Carol Concert – Cancelled

It is with great disappointment that I have to tell you that the Herts and Ware Carol Concert that Class 2 were due to take part in on Thursday 2nd December, has been cancelled. This decision was not taken lightly as the organisers are fully aware of how hard the children in all the schools due to take part have been working. Like us, many of the other schools are suffering with large numbers of positive Covid-19 cases and their choirs have been affected. It is felt that the situation is only going to get worse and to bring children together from different schools to sing closely together as a combined choir, would be un-wise in the current climate, particularly as we approach Christmas. It was hoped that the situation with Covid-19 would be at a safe level to carry on, however, numbers locally are high and getting higher.

I am sure you, as potential congregation members, and your children will be disappointed to hear this news. The children, in particular, have good reason to be upset as they have been working really hard with Mrs Neilson to learn the songs and hone their performance.

However, their efforts will not be wasted. I am sure we would be able to film the children performing the songs in school and send a link to the recording out to parents to watch. We will send further details about this when we have them.

Yours sincerely,

Malcom Foster
