7<sup>th</sup> September 2021

Dear Parents/Carers,

### **Confirmed Positive Covid-19 Cases**

Today, we have had confirmation by PCR test of two positive cases of Covid-19 of children in Class 2. As I am sure you are aware, from 16<sup>th</sup> August, the rules have changed and the rest of the children in Class 2 DO NOT need to isolate and may come to school as normal.

Could I please ask you to be extra vigilant and watch out for the main symptoms of Covid-19 in your children i.e.

- a high temperature
- a new, continuous cough
- a loss or change to their sense of smell or taste

Regardless of what class your child is in, if they display ANY of these symptoms, please DO NOT send them to school and arrange for them to be tested with a PCR test. As we are such a small school with siblings across the year groups, infections across classes are likely and we really need to limit the numbers of positive cases by being extra vigilant.

Yours Sincerely

*Malcom Foster*
