Dear Parents/Carers,

Harvest Festival Service

I am pleased to say that we are now able to return to using our local church for services. Therefore, our harvest festival church service will take place on Friday 24th September at 2.30pm in St. Mary's Church, Bayford – everybody is welcome!

As usual, children will be walked to church – if you are able to help with this, please let Mrs Sims know who will inform your child's teacher.

The service is expected to finish at 3.15pm so if you will not be attending yourself and you usually collect your child from school, collection will be from the church instead. We have arranged for children who usually go home on the school bus to be collected from the church, so there is no need for you to make separate arrangements unless you would like to. Please remember to inform the bus company if your child will not need to go home on the bus that day, and of course, don't forget to tell your child!

As always, we would like you to donate harvest gifts - food items etc. for donation to people in the village and to the Hertford Food Bank. The items currently needed by the food bank are:
