17th January 2018

Dear Parents,

This term I will be running a booster class for Year 6 pupils to help prepare them for SATS in May and moving on to secondary school in September. It is not compulsory that your child attends, however, in the past children have really benefited from this extra tuition. The classes will be on Tuesdays straight after school, finishing at 4.20pm. They will start next week.

Some of the teaching for this extra tuition will come from the Rising Stars, Achieve 100 series of books. These books are very useful for the children to use at home to help them prepare for SATS. If you would like to buy a set for your child, the school can buy them in bulk and receive a discount. There are two sets available - a set of three revision books (Reading, Maths and Grammar, Punctuation & Spelling) and a set of practice questions books for the same subjects. Each set costs £18 but depending on how many we order we may get a discount.

If you would like to order any of the sets of books please return the slip below with cash or cheque to the school by next Wednesday (18th January). If we manage to obtain a discount you will receive a refund for any over-payment.

Yours sincerely

Malcom Foster

Yr 6 SATS Revision Books

I give permission for my child _____ to attend booster classes on Tuesdays after school.

I would like to order the following revision books:-
