13th March 2018

Dear Parents,

On Friday March 23rd the school will be taking part in Sport Relief to help raise money to fund projects that change people's lives throughout the world. Since the last Sports Relief, the money raised has been used to treat over 900,000 people across Africa with anti-malarial drugs, help over 3.4 million people in Africa through maternal and child health funding and helped more than 50,000 people in the UK living with a mental health problem.

On the day, children will be asked to make a minimum donation of £1.00 to allow them to wear sports clothing for the day - tracksuits, trainers etc. We will introduce the day with an assembly so the children know where their money will be going and the children will be taking part in a number of different sporting activities throughout the day.

We will also be holding a hoola-hooping competition at break and lunchtime to see who can spin their hoola-hoop the most times in one minute. There will be a small charge of 50p to enter the competition. Why not encourage your child to practise between now and 23rd March - who knows, they may win a prize!

In addition, we have ordered a box of Sport Relief wrist bands, which some of the children of Class 3 will be selling at break and lunchtimes between now and 23rd March. Bands will be sold for £1.00 each and can be worn on Sport Relief day only.

Yours sincerely

Dr Foster and Mr Richards
