8th January 2019

Dear Parents,

This term I will be running a booster class for Year 6 pupils to help prepare them for SATS in May and moving on to secondary school in September. It is not compulsory that your child attends, however, in the past children have really benefited from this extra tuition. The classes will normally be on TUESDAYS straight after school, finishing at 4.20pm. They will start next week, but as I am at a meeting, next week Booster will be on MONDAY. Please return the slip below giving your child permission to attend.

Some of the teaching for this extra tuition may come from the Rising Stars, Achieve series of books. While it not essential that your child has these books to attend booster classes, the books are very useful for the children to use at home to help them prepare for SATS. If you would like to buy the books for your child, the school can buy them in bulk and receive a discount. There are three sets available (for Reading, Maths and Grammar, Punctuation & Spelling) and each set has 3 books (Revision Book, Question Workbook and SATS Practice Papers Book). To buy the books yourself, you would pay £6.00 per book, totalling £54 for all 9 books. However, the school receives a discount for bulk buying but the discount depends on the number of sets we order as they only come in packs of 10 or single books. Assuming that at least 9 children buy the books the cost you pay will be between £25.00 and £31.50 for a complete set.

If you would like to order a set of books, please return the slip below to school by next Wednesday (16th January). We will then order the books and let you know the final cost per child.

Yours sincerely

Malcom Foster

Yr 6 SATS Booster and Revision Books Order

I give permission for my child _____ to attend booster classes on Tuesdays after school.

Please delete as appropriate

I would / would not like to order a set Rising Stars books.

Signed: _____
