

Bayford v Tewin School

Thursday 20th October 2016

On Thursday, we played Tewin in an extraordinary game with lots of goals! Tewin started strong and scored 2 goals in the first five minutes. Bayford tried hard to respond but were up against a very good keeper who was having a blinder. With all the pressure that Bayford were putting on Tewin's defence Bayford got two back just before half time

Archie and Ben in goal in the first and second half made some great saves that stopped Bayford from losing their confidence and turning the game upside down! Ben, Tom, Niall Joel and Isabella all worked hard in defence with Isabella making a brilliant interception more than once! Ben, Niall, Joel and Tom were very good at bringing the ball out to the wings, and turning defence into attack. Alfie benefited from this support in attack and scored a lovely goal to get Bayford back into the game! George equalised just before half time with a well taken penalty.

Bayford started the second half very well with George scoring two more goals from outside the box to make his hat trick. Will and William both scored wonderful goals and Keira also scored a firecracker in the top corner!

Again, the match was played in a great spirit with respect given to all involved. The spectators were treated to another fine display of effort, skill and positive attitude. Joel was given player of the match for his superb performance in defence, and overall another great result for Bayford who are having a brilliant season so far.
