

# Hunsdon vs Bayford

6<sup>th</sup> October 2016

Bayford's first match of the season was against Hunsdon in a hard fought game. During the game there were lots of chances and attempts at goal causing both teams to work hard in defence. Both goalkeepers were very busy! In particular, Archie in the first half and Ben in the second, pulled off some show stopping saves. Joe Hart would have been proud with some of them! Tom, Joel, Niall and Ben were a rock in defence as they made it very hard for the Hunsdon strikers.

The score was 2-1 to the home team Hunsden at half time with Alfie scoring Bayford's goal using his right foot to guide the ball into the bottom corner after he was set up with a good pass from Will. Hunsden started the second half with a quick goal but then George hammered a well struck free kick into the top corner! Unfortunately, Hunsden came back strong and scored two goals in a short amount of time leaving the score 5-2 with a few minutes to spare. William, who is still in year five, scored an amazing goal by dribbling past a few players and knocking it past the bemused goalkeeper! William could be Bayford's answer to Lionel Messi!

Although Bayford played some brilliant football, and with a bit more luck could have won! However, it was not to be. But at least the game was played in a great spirit and both teams played hard but fair. Finally, all the players thoroughly enjoyed the after game refreshments that were very well deserved!!
