

Tewin vs Bayford

Yesterday we played a tough match against Tewin. They were a good team and although we didn't win we still put up a good fight. Delilah and Niamh especially were great defenders and went for every ball. Bella and Ola kept quite a lot of goals out with some fabulous marking. The game started off with the ball going from end to end constantly. We managed to get a few goals in, three to be precise, with our amazing shooters, Orla and Alysia. Ryah had an extremely challenging defender but coped with it well. Orla was fast on her feet and Ryah and Orla were always up and down the court. Laurel and Lilli tried their hardest to receive every pass and India was great at getting in front of her defender. The match ended 5-3 to Tewin. We weren't disappointed since it was our first game and enjoyed working together as the new Bayford netball team. Who knows, maybe our new kits are lucky?
